# New Jersey Comprehensive School-Based Mental Health Training & Technical Assistance

## • Webinar Series •

The Northeast and Caribbean Mental Health Technology Transfer Center (MHTTC) at Rutgers University will provide monthly webinars to support you in developing your school-based mental health services and supports. During these sessions, the MHTTC, in collaboration with school mental health experts and New Jersey district exemplars will focus on the core features of effective school mental health practices.

*Note: These sessions are intended for schools and districts based in New Jersey*

## • Coaching Sessions •

Individual coaching sessions will be offered to provide more targeted support to New Jersey schools and districts. Coaching sessions will be available on a first-come, first-served basis by reservation only and will be held twice a month by the Northeast and Caribbean MHTTC starting November 2021-June 2022. You are encouraged to register as a district-level team.
